**Mentor of the Year** – Andy Yates, Team 3193, Falco Tech, Austintown, OH

This year's CORI Invitational was dedicated to Dr. George Staab, for his years of dedication to FIRST in Central Ohio.

A special thanks to our speaker, Dr. Linn VanWoerkom, Associate Provost and Director for the Honors and Scholars and professor of physics at The Ohio State University

Thank you to all of the volunteers, Dublin City Schools and most of all the students, mentors and parents for being a part of something special.

See you next year.
